

Stud Contract

1650 South County Road 21

Loveland, Colorado, 80537

(970) 593-6314

Cell: (970) 980-3123

Breed: German Shepherd

Sire: _____

Dam: _____

Date of first breeding: _____

Type of Breeding: _____

CONDITIONS AND GUARANTEE:

1. Stud fees are \$600.00 plus any/all veterinary fees and travel expenses incurred. Stud fees are to be paid prior to the breeding.
2. A bill will be provided by the Breeder's Vet Clinic for services rendered and needs to be paid by credit card to the vet clinic office upon receipt of the bill. Examples of services would be progesterone testing, cultures; office call and exam are always included for first visits. Ehret German Shepherds reserves the right to seek medical attention for any dog that presents with symptoms of serious illness or abnormal observations. You will be contacted should this occur, prior to treatment, however if unavailable, I will proceed to do what is in the best interest for your dog.
3. Pregnancy is guaranteed as seen on ultrasound at 21 - 28 days of gestation only. This needs to be done within that time frame by a licensed veterinarian; results need to be sent to Ehret German Shepherds. Should your dog, however, come up not pregnant on the ultrasound, you will receive a 2nd breeding. You will be responsible for travel expenses, should they be necessary, and all veterinary expense. Before the second breeding will happen, the litter registration provided for the initial breeding will need to be returned to Ehret German Shepherds.
4. There will be 2 breedings, either natural, artificial or a combination of both. A picture will be provided of a natural tie. Should it be necessary to do artificial insemination, you will be notified of such before doing so as the cost is client responsibility.
5. We will ship fresh, chilled semen via Fed-Ex overnight. The stud fee remains \$600.00 and will be paid prior to shipment of any semen. Vet expenses include collection of semen, preparation of semen, shipping of semen (Fed-Ex) and any kits or materials used. The Breeder's Vet Clinic will do the above and a bill for services rendered will be provided. Payment to the vet clinic office via credit card will be expected upon receipt of the bill. Ehret German Shepherds will be reimbursed for shipping charges. These charges will include insurance.
6. The appropriate litter registration will be provided by Ehret German Shepherds along with a copy of the pedigree and koer report of the sire once the breeding is completed and vet bills are satisfied.
7. There will be no boarding charges for the first 10 days here. If boarding goes longer than the original 10 days, a \$20.00/day boarding fee will be added and paid prior to release of any paperwork needed for registration of the litter.

REQUIRED:

1. Documentation of negative brucellosis testing within 1 month of the breeding.
2. Proof of current vaccinations, including Bordatella, should your dog board here.
3. A copy of your dog's pedigree/koer report.
